STATUS INQUIRY

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Inquiry is made as to the status of the above-identified application.

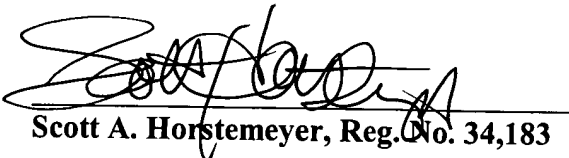

This application has not received a Filing Receipt, even though it is noted on the web site that a Notice was mailed regarding an Incomplete Application on February 2, 2004, which we have not received. It is also noted that an office action is listed in this web site, but the serial number of the office action is 10/669,287, which is the wrong serial number, that was mailed to another law firm on June 29, 2004. The only item we have received is our returned postcard listing the serial number of 10/699,287.

Please advise us as to when we will expect a communication from the USPTO on this matter.

Respectfully Submitted,

**THOMAS, KAYDEN, HORSTEMEYER
& RISLEY, L.L.P.**
